Video playback

The videos offer a very attractive and practical content. You can include helping customers or events of interest to any visitor. With our service you can play videos on our website using the embed codes that offer video sites like youtube.com:

Or other sites like metacafe.com:

Or also, among others, tu.tv:

Videos tu.tv [1]

Not only can post videos, you can also link with publishing services like slideshows and documents such as slideshare.net:

Presentation Ac3 [2]

Insert as many videos as you want on your website, the possibilities are endless.
